3 Full Baths, 1 Half Bath

5 Bedrooms plus a Bonus Room

Situated on a quiet cul-de-sac with an open concept, this home is great for raising a family and entertaining. The home welcomes you with a 2-story foyer opening into a spacious great room, kitchen, breakfast nook and easy access to the formal dining room. The kitchen has maple cabinets, granite countertops, stainless steel appliances and a glass backsplash. The formal dining room boasts crown molding, wainscoting, and a hand-scraped maple wood floor. Just off the kitchen is the home office. The great room showcases hardwood flooring crown molding and hand scraped maple floors with fireplace and entertainment center. A luxurious, first floor master suite features a master bath with 6' whirlpool tub, 6' double headed tile shower, separate water closet, and an expansive his-and-her walk-in closet. The upstairs features 4 bedrooms and 2 full baths. A large bonus room is a great getaway for the kids. Extras include extensive custom crown mold, valances above the windows, wood shelving, and a 2-zone energy efficient HVAC. The yard has been professionally landscaped with sod and sprinkler system. A covered porch makes relaxing easy after a long day at work. Maken has included a concrete crawl space, which can be used as a storm safe area with access under the stairs.
